The Annual Maximum Incentives set forth above for each Fiscal Year are based on Approved Costs and are subject to reduction in the event that the Confirmed Approved Costs are lower than the Approved Costs. The reduction in the annual limits will be determined on a pro rata basis and will be included in the notification of Confirmed Approved Costs as required pursuant to Section 4.5. The Annual Maximum Incentives may also be adjusted as part of the pro rata reduction set forth in Section 5.2. Such reductions shall be set forth in notification issued by the Authority after review of information reported by the Company at any of the Annual Compliance Dates during the Term of this Agreement. ARTICLE IX. **REMEDIES**

No failure by the Authority to insist upon the strict performance by the Company of any provision hereof shall constitute a waiver of the Authority's right to strict performance and no express waiver shall be deemed to apply to any other existing or subsequent right of the Authority to require the Company to remedy any and all failures by the Company to observe or comply with any provision hereof.

Section 10.8. Release and Indemnification by Company. The Company releases the Authority from, holds the Authority harmless against, agrees that the Authority shall not be liable for, and fully indemnifies the Authority against, any and all losses, liabilities, claims, actions, proceedings, costs and expenses imposed upon, incurred by, asserted against or with respect to the Authority on account of: (i) any loss or damage to property or injury to or death of or loss by any person that may be occasioned by any cause whatsoever pertaining to the maintenance, operation and use of the Project or the existence of this Agreement; (ii) any breach on the part of the Company of any of its Covenants hereunder or the occurrence of any Default set forth herein; and (iii) any action taken or omitted to be taken by the Authority in accordance with the terms of this Agreement (excepting acts of willful misconduct).

The Authority may employ separate counsel and participate in the defense.

The indemnification set forth above and all references to the Authority in this Section 10.8 are intended to and shall include all officials, directors, officers, employees, agents and representatives of the Authority.

In the event the Company's original records are not located at the Project, the Company shall make arrangements for representatives of the Authority to enter the premises in the Commonwealth where such original records are kept or shall produce authentic copies of such records for inspection at a place of convenience to the Authority in the Commonwealth.

Section 10.10. **Payment of Fees and Expenses.** The Company shall pay all costs and expenses, including legal fees, if any, in connection with any amendments to this Agreement and the enforcement of this Agreement within thirty (30) days from the billing date.

Additionally, Company agrees that any information reported by the Company to the Authority in any Exhibit to this Agreement may be disclosed in any public forum, report or documentation deemed beneficial to public interest.

Section 10.13. **Jurisdiction and Venue.** The parties hereto agree that any suit, action or proceeding with respect to this Agreement may only be brought in or entered by, as the case may be, (i) the courts of the Commonwealth of Kentucky situated in Frankfort, Franklin County, Kentucky, or (ii) the United States District Court for the Eastern District of Kentucky, Frankfort Division, and the parties hereby submit to the jurisdiction of such courts for the purpose of any such suit, action, proceeding or judgment and waive any other preferential jurisdiction by reason of domicile.
